Dear Shareholder,

Annual General Meeting 2022

I am pleased to enclose the notice of the annual general meeting (the "**Notice of AGM**") of Supermarket Income REIT plc, which will be held at 1.00 p.m. on Thursday, 17 November 2022 at the offices of Macfarlanes LLP, 20 Cursitor Street, London EC4A 1LT to transact the business set out in the resolutions below. The Notice of AGM sets out the business to be considered at the meeting and the purpose of this letter is to outline the arrangements that will be in place for this year's AGM and to explain certain elements of that business to you.

Proposed AGM Arrangements

As you may know, we are required by law to hold an AGM within six months of our financial year end. I am pleased to report that we will be holding this year's AGM as a physical meeting.

If you decide not to attend the AGM in person, it is important that you do still cast your votes in respect of the business of the meeting and you can do so by voting by proxy in accordance with the instructions set out below under the heading "Voting".

The results of the AGM will be announced through a Regulatory Information Service and on the Company website, www.supermarketincomereit.com, as soon as possible once known.

Participation at the AGM

The Board recognises that the AGM provides an important opportunity to engage with Shareholders and that it is important to maintain that. Accordingly, Shareholders can attend the AGM and ask questions during the meeting.

Shareholders will have a reasonable opportunity to ask questions on all the items of business set out in this Notice of AGM during the meeting (including a reasonable opportunity to ask questions of the Investment Adviser).

Shareholders are requested to restrict themselves to two questions or comments initially, and further questions will be considered if time permits. There may not be sufficient time available to address all the comments and questions raised during the meeting.

To participate you must be a registered holder of shares as at the close of business 48 hours before the time of the AGM.

Voting

If you would like to vote on the resolutions in advance, you can appoint a proxy by logging on to www.signalshares.com and selecting the “proxy voting” link. You can also appoint a proxy by lodging a proxy appointment through the CREST Proxy Voting Service or by requesting a hard copy proxy form by contacting our Registrar, Link Group, on 0371 664 0300. (Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. We are open between 09:00 - 17:30, Monday to Friday excluding public holidays in England and Wales). Submission of a Proxy vote shall not preclude a member from attending and voting in person at the meeting in respect of which the proxy is appointed or at any adjournment thereof and returning it to the address shown on the form.

As your participation is important to us, we would encourage you to vote ahead of the AGM by appointing your proxy in the manner described above.

Please remember to return your proxy electronically so that it is received by the Company's Registrar, Link Group by no later than 1.00 p.m., on Tuesday, 15 November 2022. EXPLANATION OF ANNUAL GENERAL MEETING BUSINESS

Enclosed with this document is a notice convening the annual general meeting of the Company for Thursday, 17 November 2022 at 1.00 p.m. This explanatory note gives further information on the resolutions which will be proposed at the meeting set out in the enclosed notice.

1. Resolution 1 – to receive the 2022 annual accounts and reports

The Companies Act 2006 requires the directors of a public company to lay its annual accounts and reports before the company in general meeting. The Company proposes, as an ordinary resolution, a resolution on its 2022 annual accounts and reports.

2. Resolution 2 – to approve the directors' remuneration report

The Companies Act 2006 requires listed companies to put a resolution to shareholders at each annual general meeting to approve the directors' remuneration report (other than the part containing the directors' remuneration policy), which forms part of the annual report. The vote is advisory in nature and the directors' entitlement to receive remuneration is not conditional on it.

Resolution 2 in the notice of annual general meeting, which will be proposed as an ordinary resolution, asks Shareholders to approve the remuneration report (other than the part containing the directors' remuneration policy), which can be found on pages 62 to 65 of the annual report and accounts for the year ended 30 June 2022.

3. Resolution 3 – to approve the Company's dividend policy

Resolution 3 proposes, as an ordinary resolution, to approve the Company's dividend policy to pay four interim dividends per year. This policy is consistent with the Company's Prospectus and is set out on page 66 of the annual report.

4. Resolutions 4 to 8 – Re-election and election of directors

The Board currently consists of five independent non-executive directors, four of whom were in office at the 2021 AGM, and one of whom was appointed during financial year ended 30 June 2022. Acting on the recommendations of the Company's Nomination Committee and following a comprehensive externally facilitated recruitment process during 2022, the Board resolved to appoint Frances Davies as a non-executive director of the Company effective 1 June 2022. Resolutions 4 to 7, which are ordinary resolutions, propose the re-election of four non-executive directors of the Company standing for annual re-election in accordance with the Association of Investment Companies (the "AIC") Code of Corporate Governance (the "**AIC Code**"). Resolution 8, which is an ordinary resolution, proposes the election of Frances Davies following her appointment as a non-executive director of the Company in June 2022. Although not required by the Company's articles of association (the "**Articles**"), the Company is choosing to comply voluntarily with the provision of the UK Corporate Governance Code requiring all directors to be subject to annual election: all directors retire at each annual general meeting and those eligible and wishing to serve again offer themselves for re-election.

The Chairman confirms that, following formal performance evaluation, the directors' performance continues to be effective and demonstrates commitment to their respective roles, including time commitments for Board and committee meetings. Having reviewed the performance of the Board and the leadership needs of the Company, the Board believes that each of the five directors that are standing for re-election/election at the AGM should continue in their role as they bring a breadth of current and relevant business expertise to the Board. The Board remains satisfied that the individual contributions of each director are, and will continue to be, important to the Company's long-term sustainable success. Biographical details for each of the directors standing for re-election and election at the AGM, and details of their individual contributions to the operation of the Board during the year, are contained in the section on the Board in the annual report and accounts.

6. Resolutions 9 and 10 – to re-appoint BDO LLP as auditors and determine auditors' remuneration

These resolutions propose that BDO LLP should be re-appointed as the Company's auditors and authorises the directors, upon the recommendation from the Company's audit committee, to determine their remuneration.

The directors, having regard to the audit committee's recommendation, consider that the level of consultancy related non-audit fees to audit fees undertaken by BDO LLP is appropriate for the advisory work undertaken for the year ended 30 June 2022, and that these fees do not create a conflict of interest on the part of the independent auditor.

7. Resolution 11 – Continuation Vote

The Company has an unlimited life. However, in accordance with the Articles of Association, the Board propose an ordinary resolution for the Company to continue in its current form to Shareholders at the fifth annual general meeting following the IPO and at the annual general meeting held every five years thereafter. If the resolution is not passed, the directors intend to formulate proposals to be put to Shareholders within 120 days of such resolution being defeated for the reorganisation or reconstruction of the Company.

In recognition of the continued strong financial performance of the Company and demand for the Company's investment proposition, evidenced by the successful equity raises undertaken since IPO, the Board recommends that Shareholders vote in favour of the Continuation Resolution at the AGM.

8. Resolution 12 – authority to allot shares

Under the Companies Act 2006, the directors may only allot ordinary shares (and to grant rights to subscribe for, or to convert to any security into, ordinary shares of £0.01 each ("**Ordinary Shares**") ("**Relevant Securities**") with the authority of Shareholders in general meeting (other than pursuant to an employee share scheme). In certain circumstances this could be unduly restrictive.

Resolution 12 in the notice of annual general meeting will be proposed, as an ordinary resolution, to authorise the directors to allot Relevant Securities (which include Ordinary Shares) up to a maximum nominal amount of £4,139,221.94 and up to a further maximum nominal amount of £4,139,221.94 where the allotment is in connection an offer by way of rights issue, representing approximately 33.3 per cent and 33.3 per cent respectively of the nominal value of the Ordinary Shares in issue on 13 October 2022 (being the latest practicable date prior to the publication of this document). As at the date of this document,

the Company does not hold any Ordinary Shares in treasury. These limits are in accordance with guidelines issues by the Investment Association and market practice.

The authority conferred by Resolution 12 is in addition to the authority to allot Relevant Securities granted at the general meeting of the Company held on 18 October 2021 for Supermarket Income REIT plc, Company No. 10799126, the purposes of the placing and offer for subscription and placing programme (which, unless previously revoked, varied or renewed) expires on 31 December 2022), and will expire at the earlier of next year's annual general meeting or 17 February 2024.

The directors have no current intention of exercising this authority. However, the directors believe it to be in the best interests of the Company that they should continue to have this authority so that such allotments can take place to finance appropriate business opportunities that may arise.

8. Resolutions 13 and 14 – to disapply pre-emption rights

Unless they are given an appropriate authority by Shareholders, if the directors wish to allot any Ordinary Shares for cash or grant rights over Ordinary Shares or sell treasury shares for cash (other than pursuant to an employee share scheme) they must first offer them to existing Shareholders in proportion to their existing holdings. These are known as pre-emption rights.

The existing standing disapplication of these statutory pre-emption rights, which was granted at the annual general meeting held on 24 November 2021, will expire at the end of this year's annual general meeting. Accordingly, Resolutions 13 and 14 in the notice of annual general meeting will be proposed, as special resolutions, to give the directors power to allot shares without the application of these statutory pre-emption rights: first, in relation to offers of equity securities by way of rights issue, open offer or similar arrangements (save that in the case of an allotment pursuant to the authority conferred by paragraph 12.2 of Resolution 12, such offer shall be by way of rights issue only); and second, in relation to the allotment of equity securities for cash up to a maximum aggregate nominal amount of £620,883.29 (representing approximately 5 per cent of the nominal value of the ordinary shares in issue on 13 October 2022 (being the latest practical date prior to the publication of this document)); and third, in relation to an acquisition or other capital investment as defined by the Pre-emption Group's Statement of Principles, an additional 5 per cent of the nominal value of the ordinary shares in issue on 13 October 2022.

These limits are in accordance with guidelines issued by the Pre-emption Group, Investment Association and market practice.

The directors have no current intention of issuing shares. The authority will only be used to issue Ordinary Shares at a premium to the prevailing net asset value and, although it will only be used when the directors believe that it would be in the best interests of the Company to do so, if granted, would give the directors flexibility to take advantage of business opportunities that may arise. The directors intend to adhere to the provisions in the Pre-Emption Group's Statement of Principles, as updated 5 May 2016, and not to allot Ordinary Shares for cash on a non pre-emptive basis pursuant to the authority in resolution 13:

- (i) in excess of an amount equal to 5 per cent of the total issued ordinary share capital of the Company excluding treasury shares; or

- (ii) in excess of an amount equal to 7.5 per cent of the total issued ordinary share capital of the Company excluding treasury shares within a rolling three-year period, without prior consultation with shareholders,

in each case other than in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

The power conferred by these Resolutions will expire at the earlier of end of next year's annual general meeting or 17 February 2024.

9. Resolution 15 – Company's authority to purchase its own Ordinary Shares

At the annual general meeting of the Company held on 24 November 2021, the Company was authorised to make market purchases of up to 147,641,558 of its own Ordinary Shares. This authority, which was granted at the annual general meeting held on 24 November 2021, will expire at the end of this year's annual general meeting.

Resolution 15 in the notice of annual general meeting, which will be proposed as a special resolution, will authorise the Company to make market purchases of up to 186,140,810 Ordinary Shares. This equals 14.99 per cent of the Ordinary Shares in issue on 13 October 2022 (being the latest practicable date prior to the publication of this document). As previously noted, the Company does not as at the date of this document hold any Ordinary Shares in treasury. The maximum price that may be paid shall be the higher of (i) 5 per cent above the average of the middle market quotations for an ordinary share for the five business days immediately before the day on which such share is contracted to be purchased and (ii) the higher of the price of the last independent trade and the highest current independent bid on the trading venue where the purchase is carried out (in each case exclusive of all expenses). The minimum price which may be paid for each Ordinary Share shall be £0.01 (exclusive of all expenses).

The authority conferred by Resolution 15 will expire at the earlier of the end of next year's annual general meeting or 17 February 2024.

The directors are committed to managing the Company's capital effectively. Although the directors have no plans to make such purchases, buying back the Ordinary Shares is one of the options they keep under review.

The Company may hold in treasury any of its Ordinary Shares that it purchases in accordance with the Companies Act 2006 and the authority conferred by this resolution. This would give the Company the ability to re-issue treasury shares quickly and cost effectively and would provide the Company with greater flexibility in the management of its capital base. Ordinary Shares held in treasury may subsequently be cancelled, sold for cash, or transferred for the purposes of, or pursuant to, employee share scheme. Once held in treasury, the Company is not entitled to exercise any rights, including the right to attend and vote at meetings, in respect of those Ordinary Shares. Further, no dividend or other distribution of the Company's assets may be made to the Company in respect of the Ordinary Shares held in treasury.

If Resolution 15 is passed at the annual general meeting, it is the Company's current intention to cancel all of the Ordinary Shares it may purchase pursuant to the authority granted to it. However, in order to respond properly to the Company's capital requirements and the prevailing market conditions, the Board will need to assess at the time of any and each actual purchase whether to hold the Ordinary Shares in treasury or cancel them, provided it is permitted to do so.

As at 13 October 2022 (being the latest practicable date prior the publication of this document), there were no options or warrants outstanding over the Company's ordinary share capital.

10. Resolution 16 – period of notice for general meetings (other than annual general meetings)

The notice period required by the Companies Act 2006 for general meetings of the Company is 21 days unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days. Annual general meetings will continue to be held on at least 21 clear days' notice.

The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole.

The approval will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed.

Under the Companies Act 2006, in order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting.

RECOMMENDATION

Full details of the resolutions are set out below. The directors consider that all of the resolutions to be proposed at the AGM are in the best interests of the Company and its members as a whole. The directors therefore unanimously recommend that you vote in favour of all the resolutions proposed at this AGM.

Yours sincerely

Nick Hewson
Chairman

If you submit more than one valid proxy appointment in respect of the same share for the purposes of the same meeting, the appointment last delivered or received shall prevail in conferring authority on the person named in it to attend the meeting and speak and vote. If the Company is unable to determine which appointment was last validly received, none of them shall be treated as valid in respect of the relevant share(s).

In order to revoke a proxy instruction you will need to inform the Company by sending notice in writing clearly stating your intention to revoke your proxy appointment to Link Group at 10th Floor, Central Square, 29 Wellington Street, Leeds, LS1 4DL (accompanied by the power of attorney or other authority (if any) under which the revocation notice is signed or a notorially certified copy of such power or authority). The revocation notice must be received no later than 1:00 p.m., on Tuesday, 15 November 2022.

In the case of a member which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company.

If you attempt to revoke your proxy appointment but the revocation is received after the time specified above then your proxy appointment will remain valid (unless you attend the meeting and vote in person).

Appointment of proxy by joint members

In the case of joint holders, where more than one of the joint holders completes a proxy appointment, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

Corporate representatives

A corporation which is a Shareholder can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a Shareholder provided that no more than one corporate representative exercises powers over the same share.

Nominated persons

Any person to whom this notice is sent who is a person nominated under s.146 Companies Act 2006 to enjoy information rights (a "**Nominated Person**") may, under an agreement between him or her and the member by whom he or she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the annual general meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he or she may, under any such agreement, have a right to give instructions to the member as to the exercise of voting rights.

The statement of the rights of members in relation to the appointment of proxies does not apply to Nominated Persons. The rights described in those notes can only be exercised by members of the Company.

The main point of contact for a Nominated Person in terms of their investment in the Company remains the member by whom he or she was nominated (or perhaps a custodian or broker who administers the investment) and a Nominated Person should continue to contact them (and not the Company) regarding changes or queries relating to their personal details and their interest in the Company (including any administrative matters). The only exception to this is where the Company expressly requests a response from a Nominated Person.

Withheld votes

A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If you either select the "Discretionary" option or if no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the meeting.

Issued shares and total voting rights

As at 5.00 p.m. on 13 October 2022, which is the latest practicable date before publication of this notice, the Company's issued share capital comprised 1,241,766,581 ordinary shares of £0.01 each. Each ordinary share carries the right to one vote at a general meeting of the Company and, therefore, the total number of voting rights on that date is 1,241,766,581. No shares are held in treasury.

The Company's website will include information on the number of shares and voting rights.

Questions during the meeting

Any shareholder or proxy can ask questions. If you would like to ask a question, please raise your hand at any time during the Q&A session up until the Chairman closes the session.

Voting

Voting on all resolutions will be conducted by way of a poll rather than a show of hands. This is a more transparent method of voting as member votes are to be counted according to the number of shares held. As soon as practicable following the meeting, the results of the voting and the number of proxy votes cast for and against and the number of votes actively withheld in respect of each of the resolutions will be announced via a regulatory information service and also placed on the Company's website.

Communication

Except as provided above, Shareholders who have general queries about the meeting should contact Link Group, by email at enquiries@linkgroup.co.uk, or you may call Link on 0371 664 0391. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate.
